

DIVISION: Division of the VP Academic and Provost
UNIT: York-TD Community Engagement Centre
PLAN ID: 1270

1. 21st Century Learning

Provide students with an experiential learning opportunity and create more physical and virtual capacity for active and collaborative learning

Action/Strategy:

Develop virtual and community-based experiential learning opportunities

Create accessible spaces for hyper-local students on campus

Measures/Metrics/Milestones:

Provide spaces for student to work, learn and engage with community through Experiential Education opportunities.

Student have access and mentorship to graduate students, workshops and resources.

2. Knowledge for the Future

Increasing the research participation of faculty and trainees at all levels across the institution.

Action/Strategy:

Enhance a community based research framework that supports protocols, principles, accountability and process.

Measures/Metrics/Milestones:

Tools and resources for ongoing implementation of Principles for conducting research in the Jane and Finch community are accessible.

Fully implementing our Open Access Policy (2019)

Action/Strategy:

Provide open access to research pertaining to the Jane and Finch Black Creek community

Measures/Metrics/Milestones:

A collection (repository) of reports, articles and research will be made available to Jane Finch and York University community members.

3. From Access to Success

Reliable access to excellent academic and career advising

Action/Strategy:

January 2021

Measures/Metrics/Milestones:

DIVISION: Division of the VP Academic and Provost
UNIT: York-TD Community Engagement Centre
PLAN ID: 1270

Facilitate Post-Secondary access initiatives in Adult Learning Centres

Enhance and establish cross-departmental supports for potential university bound mature learners.

Provide non-traditional traditional students seeking educational opportunities with pathway resources.

Provide collaborative web-based/in-place events, info sessions and workshops with City of Toronto (TESS), York Advising, Colleges, Council of Educators of Toronto.

5. Working in Partnership

Connect our entrepreneurship and innovation activities to the broader innovation ecosystem of Ontario

Action/Strategy:

Provide entrepreneurs with culturally appropriate support to enhance economic opportunities

Measures/Metrics/Milestones:

Partnerships between Y-space, Professional Writing Studies and the CEC will be established to create in-place and web-based support for entrepreneurs of the Black Creek community.

6. Living Well Together

Embrace a culture of service excellence

Action/Strategy:

Create spaces for Faculty and staff to engage in enriching dialog and sharing of best practices

Measures/Metrics/Milestones:

Participate in conversations and discussions regarding potential curriculum and program offerings.

Assist in the coordination and organizing of a community engagement community of practice

7. Answering the Call

Identify core principles of appropriately aligned SDGs in departmental initiatives, actions and metrics

Action/Strategy:

Include SDG in planning and development of pan- university activities.

Measures/Metrics/Milestones:

Support active participation in relevant planning venues (e.g. President's sustainability council, Faculty specific strategic planning sessions or committees, etc.)
